

GIPA Access Application — Email (printed copy)

From: david.park.test@example-mail.test
To: gipa.requests@example-council.test
Date: 10 June 2026
Subject: GIPA Access Application – Property Approval Records

To whom it may concern,

I am writing to lodge a formal access application under the Government Information (Public Access) Act 2009 (NSW) in relation to the property I currently rent as a tenant.

I request copies of all records held by Council relating to approvals for the property, including but not limited to: Development Approval (DA), Construction Certificate, Occupation Certificate, and any records of approved use classifications for the site.

I make this request in connection with a dispute regarding the suitability of the property for a disclosed business use.

Kind regards,
David Park (tenant)
