Subject: RE: GIPA Access Application – Property Approval Records (Ref: GIPA-TEST-0142)

Dear Mr Park,

Further to your access application dated 10 June 2026, Council has searched its records for the property identified in your request.

Council's records confirm that a Development Approval (DA-TEST-2011/0087) is held for the property. No Construction Certificate has been issued in connection with this DA, and no Occupation Certificate is recorded for the property.

No records of an approved change of use, or approval for a home business use, were located.

If you have any questions about this response, please contact the GIPA team on the details below.

Yours faithfully,
GIPA Access Team (Example Council)
